If you suffer from any allergies, please let the management know when ordering your meal.

We are happy to provide allergen information for our menu. Due to the nature of our small busy kitchen we cannot guarantee our dishes are nut or allergen free, this may include airborne gluten particles. There is always a small risk that traces may be present in any of our dishes despite our best efforts.

Dishes with fish - Spinach may contain bones and some olives may have stones.

A Stefano's meal is not to be rushed. From the moment you place your order fresh ingredients will be prepared and cooked to perfection.

That's what makes a Stefano's meal delicious and, like anything else...

It's worth waiting for.

We aim to satisfy all our customers. If there is something that you fancy which is not on our menu, please ask and Stefano will try his best.

Management has the right to refuse order.
